Kind Attn: Purchase Manager.
Dear Sir,

We introduce ourselves as manufacturer of pistons and piston rings of all kind from 27mm diameter to 121mm diameter.

We have our own casting units equipped with latest machines and we manufacture components as per O. E. M .s specifications and standards.

The components manufactured by us find application in all type of Two,three wheelers and motor cycle engines and also in all kind of diesel and petrol operated engines & Compressors(Air Brake compressors also).

Note : We are manufacturing piston assemblies for chainsaws,grass cutters,ATVs,lawnmowers,Brush Cutters,sprayers,pumps,Generators, Briggs & Stratton & Tecumseh, Honda, Robin engines also.

The below is our range of chainsaw, brush cutter etc. piston sets which we are manufacturing.
